

# The Ultimate Suite for Agency Success

For only \$99 a year, BTIS ProSuite provides your agency with a comprehensive suite of advanced tools designed to **streamline your operations, elevate client service, and give you a distinct competitive edge.**

## NorbieLink Dashboard

COMING SOON!

Built for speed. Designed for you. NorbieLink is more than a modern interface. It is a complete **rebuild of the BTIS Agent Portal** with powerful new tools that centralize quoting, servicing, and agency management in one secure, streamlined platform.

## AI Quote Comparison

JUST ADDED!

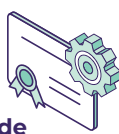

Stop wasting hours flipping through quotes. With **ProSuite + Outmarket**, you can drop them all in one place, instantly see the differences, and ask AI to explain coverage, endorsements, and costs. Create polished reports in seconds and give your clients the clarity they expect.

## Easy CE Compliance

FastrackCE helps insurance professionals stay compliant by providing a **simple three-step process** for completing continuing education. As a ProSuite member, you will receive a 10% discount on every course purchase.

## NowCerts Lite COI Integration

Issue Certificates of Insurance instantly. **Provide your clients with a self-service portal** for quick access to their insurance documents, **saving you time and money.**

## Business Document Library

Access a complete collection of essential legal business documents, **valued at \$399.** Easily retrieve the forms and resources you need to manage your business with confidence.

## Exclusive Program Access

Enjoy early and unlimited access to specialized insurance programs with limited distribution – giving your agency a distinct advantage over the competition.

## Beta Agent Participation

As a ProSuite subscriber, you'll get first access to all new products, platform upgrades, and tools as a beta agent. Your feedback will play a crucial role in shaping the future of our offerings.

## ProSessions

Get an invitation to a personalized ProSession with our Agency Success Manager. In this exclusive one-on-one meeting, we'll guide you through the new features, tailor strategies to your agency's specific needs, and show you how to maximize each tool for optimal growth and efficiency.

## Tivly CRM Integrated Leads

Enhance your agency's growth with **Tivly CRM Integrated Leads.** As a ProSuite subscriber, you receive complimentary access to the Tivly platform for 12 months—a \$1,000 value included in your subscription. This powerful integration enables you to bid on leads in real-time, **connecting you with prospects** actively seeking commercial insurance.

## Multilingual Marketing

Expand your customer base with handy product overview materials in different languages. Beginning with conversational Spanish, these pieces will help you **reach new clients.**
